Players of the Week

Player of the Week
Marcus Mikulski
Rockets

Marcus was an offensive juggernaut in his game as he scored a league high 16 points. Marcus was scoring from all over the court and came up clutch as he scored 8 points in the fourth quarter in a back-and-forth game. Along with all the points Marcus scored, he also played great defense as he hauled in 5 rebounds while also adding 3 steals as he limited his opponents chances of scoring. Marcus all-around great performance helped his team get a hard fought victory.

Unsung Hero
Keller Sack
Bulls

Keller was all over the court hustling and it paid off. Keller had 2 points in game where his team was clicking offensively and he played a big part in that. What didn't show up on the stat sheet was Keller constantly looking for the open guy to get his teammates involved. Keller also added a big rebound to get his team the ball back when they needed it. Keller's hustle and determination helped get his team the win.
